

My new school

South West Rocks Public School

*This is my new school.
It is called South West
Rocks Public School.*

*This is the gate
where I go into
my school.*

*These are the Kinder teachers for 2025 whose names are Mrs Garthon, Miss Stewart and Mrs Overall. My teacher and the other teachers at school will look after me while I am at school. I can ask my teacher to help me if I need help.
My teacher cares about me and likes to know about me.*

I can have a lot of fun at school and learn a lot of things.

I might see some old friends there and make some new friends.

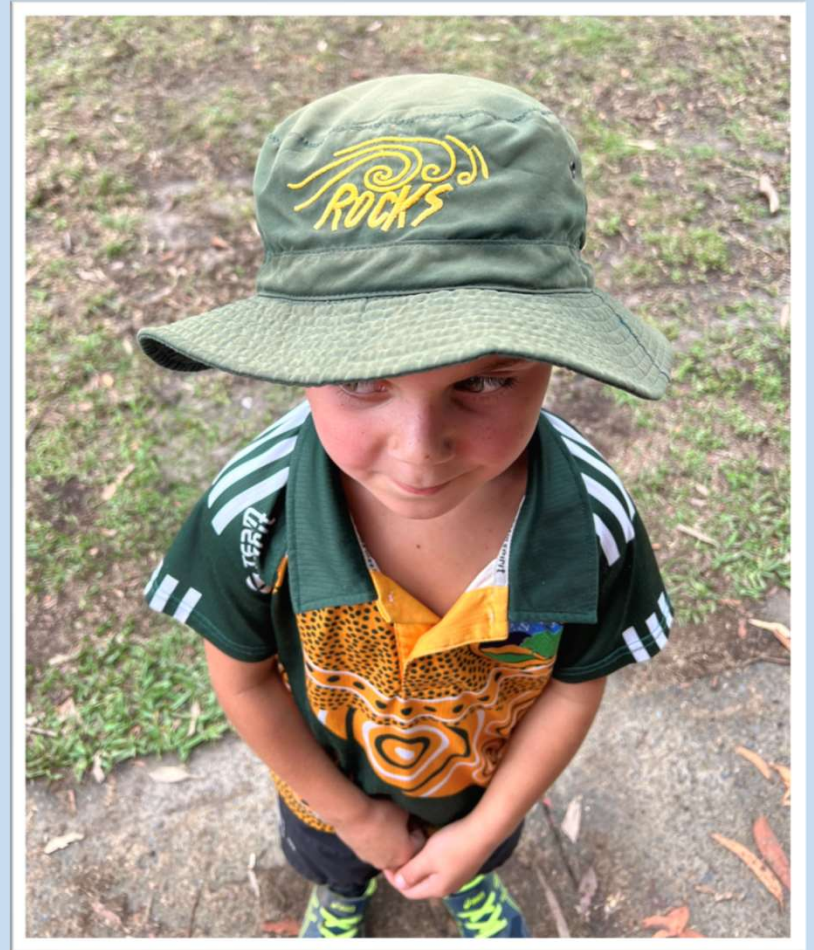

Sometimes I might miss my family while I am at school. Some children might even cry a little bit because they miss their family but the teachers will help them to feel better.

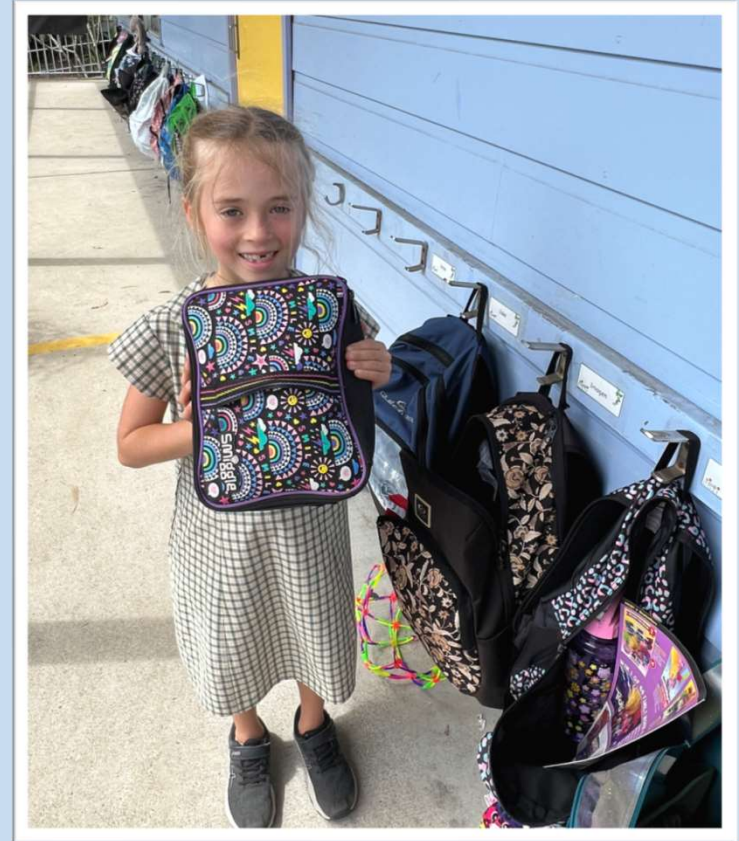

I wear my uniform to school.

I wear my hat outside to protect me from the sun.

I have a school bag with my morning tea, lunch, and drinks inside. My name is on everything.

This is where I put my bag when I am at school.

I eat my morning tea and lunch at school. I eat healthy food to help me feel good and to grow strong.

*This is Mrs Chow, she is our school Principal.
The Principal looks after all the children and
the teachers at the school.*

*This is Mrs Chow's dog Molly. Molly is a
special dog that helps at our school.*

This is my classroom where I have fun and learn with the other children in my class.

I like learning the names of all the other children and they learn my name as well.

*I know how to do a lot of things at school because I have done them before.
I draw, paint, paste, count, play, listen to stories and sing songs at school.*

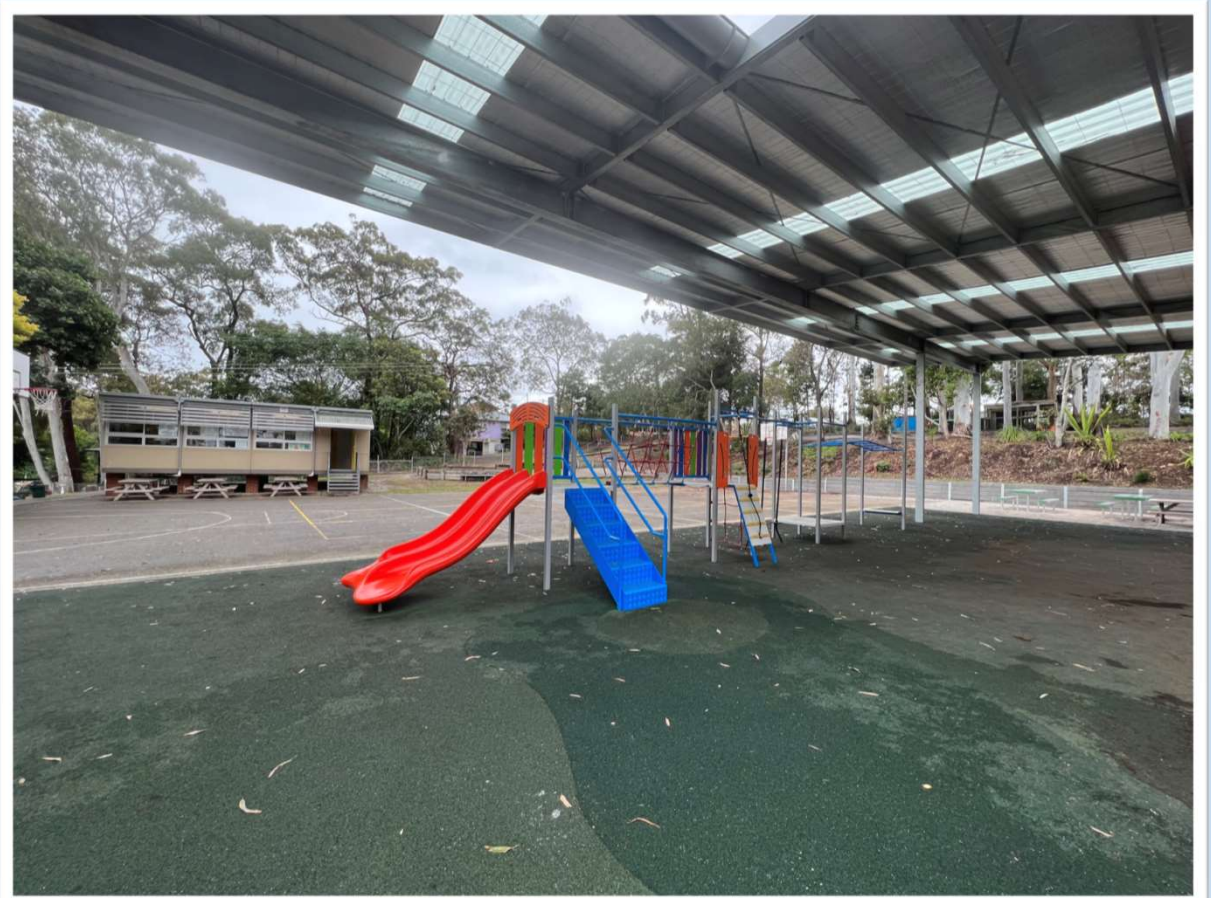

There are tables and chairs in the classroom and a mat where all the children can sit to listen to the teacher read us a story or to help us to learn new things. We learn about reading and maths and science and lots of things.

This is the playground.

*It is fun to talk and laugh and
play with my friends in the
playground at recess and lunch
time.*

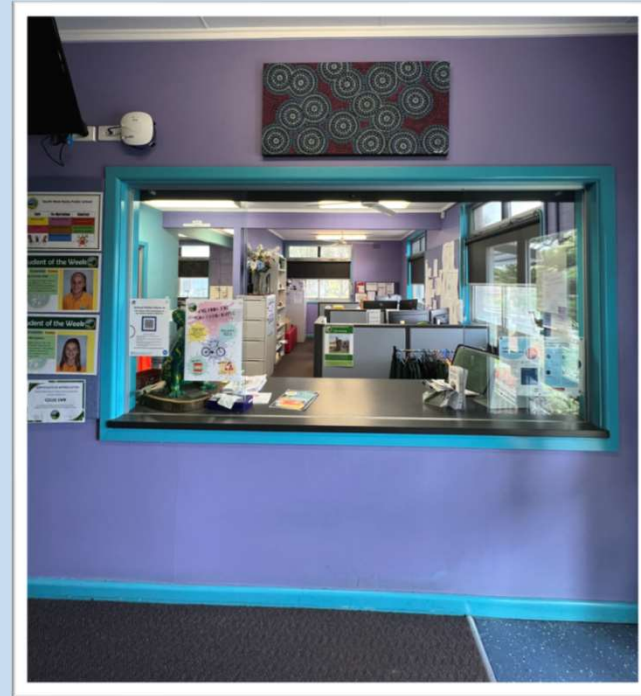

There are big kids at school. The children in Year 6 are the oldest and they look really big. Sometimes some of these big kids can be your friend or buddy at school and help you and play with you.

Monday, Tuesday, Wednesday, Thursday and Friday are school days and Saturday and Sunday are the weekend days. You don't go to school on the weekend or in the holidays.

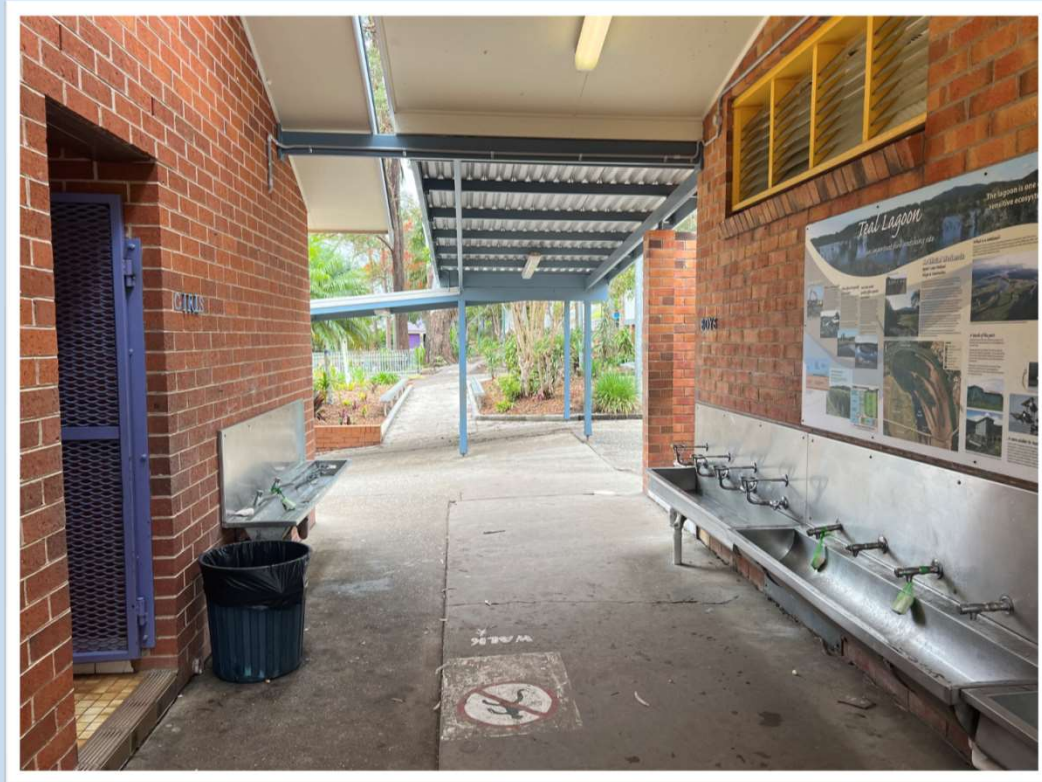

This is the school office. This is Jane who works in the office. Sometimes children take messages to the office. I would like to do that one day.

My school has a special room called a library with lots of wonderful books. I can take some books home in my library bag so my family can read them with me.

There are toilets at my school.

The teachers teach all of the new children about where the toilets are and how to use them. I am glad about that because it is very important to know about the toilets. There are toilets for the boys and toilets for the girls.

I always flush and wash my hands after I use the toilet.

After school, some children go home with their mum or dad or grandma or another person who looks after them. Some children might go to after-school care and go home after that. Some children even go home on a bus. The teachers look after me until I am picked up.

*When I am going home, I say goodbye, and smile
and wave to the teachers and the other children.*

**Do you have any questions
about your new school?**
