Writing Excellence Awards (WEA)

One of the more pleasing aspects of the WEA is to be able to see the growth in the skill and complexity of student writing. For the WEA this term, students were required to write a procedure. The results were most impressive I must say. Well done to all the WEA winners for Term 3.

P&C

Special thanks to Bec Trappel and Lisa Farrell for their commitment to our fundraising activities through their involvement in the SWR Triathlon and Marathon. As a result of their efforts the P&C were this week presented with a cheque for \$2500. Both Bec and Lisa have been heavily involved in these events over many years resulting in considerable funds for our school. Thank you ladies. Your support is very much appreciated by all at the school.

The P&C continue to support many projects throughout the school. Home reading is an important part of our literacy program. As interest is high we need to update and replace the books on a regular basis. The P&C has kindly donated \$4000 to support the purchase of new reading materials. Thank you to the P&C your generosity will help support student learning in literacy.

The P&C have further fundraisers planned for the year. It is likely we will hold a trivia night some time in Term 4. We will be holding a fundraising meeting on Tuesday September 25 at 6pm to sort through details for the event. If you have expertise in this area or any ideas for sponsorship we would love to see you there.

NAPLAN

Results of the NAPLAN tests for Year 3 and 5 students were sent home to parents today. Please check your child's bag and contact the school if you have not received your child's results. Parents, please feel free to contact your child's class teacher for enquiries or clarification regarding any aspect of the report.
